

Preparation Module for the LIBE Committee

Dear Delegates,

We, your Committee Presidents, would like to welcome you very very warmly to the 1st Digital n MEP session and to the LIBE committee. We hope you are all motivated and interested in our topic.

To ensure that all of you are familiar with our committee issue, we provided you with a summary of the issue and collected some valuable EU publications, articles and studies, in order to give you an overview on our subject matter. It is of utmost importance that you prepare yourselves and get an insight into the issue, as you will be working on a resolution during our committee meetings.

The links below are solely guidelines, so we expect further preparation from you. In order for discussions to be fruitful it is of great importance that everyone prepares for them individually. And please remember: only a well prepared delegate can present and defend the resolution successfully. If something is unclear, please feel free to contact us. We are looking forward to meeting you at the 1st Digital nMEP session.

*Best regards,
Your CPs*
